

COVID 19 Protocol Update

It is hard to believe it has been almost a year since we implemented our Facility Plan as recommended by the CDC, and the Minnesota Board of Dentistry, for the COVID-19 pandemic.

We hope that as more people get vaccinated, we can soon get back to some kind of normal. The Minnesota Board of Dentistry has recommended the following changes to Dental Office Facility Plans.

1. We will no longer need you take your temperature when you arrive at the office.
2. Although there will still be pre-screening questions before you come into the office, you will no longer have to sign the questionnaire, that information will be recorded in your Clinical Note for the day.

Everything else will remain the same for now. We will continue to keep you informed of any further changes as they become relevant.

We look forward to seeing you again and are happy to answer any questions you may have about the steps we take to keep you, and every patient, safe in our practice. To make an appointment, please call our office at **507-263-2411** or visit our website at

www.CannonFallsSmiles.com

Thank you for being our patient.

We value your trust and loyalty and look forward to welcoming back our patients, neighbors and friends.
